

REMARKS

Applicants and the undersigned are most grateful for the time and effort accorded the instant application by the Examiner.

This Amendment After Allowance makes amendments to the specification to include a brief description of the drawings as required in the *Notice of Drawing Inconsistency With Specification*. A copy of the notice is enclosed.

In reviewing the drawings, it became apparent that several of the reference numerals appearing in the drawings did not correspond to the reference numerals set forth in the text of the specification. Applicant proposes to amend the drawings to set forth the correct reference numerals. Submitted herewith are a set of drawings with the proposed changes indicated in red ink. Also submitted herewith are replacement sheets with the proposed changes reflected therein. This Amendment After Allowance does not introduce new matter.

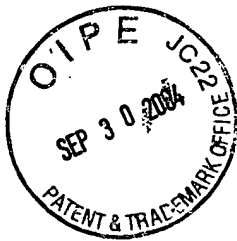

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Stanley D. Ference III", is written over a horizontal line. There is a small mark to the right of the signature.
